

Challenge – make links

EXAMPLE

- The sheep is linked to the chair because they both have four legs
- The chair is linked to the window because they are both hard and rigid.
- The window is linked to the wall because they both begin with 'W'
- The wall is linked to the pole because they have both been 'put up'
- The pole is linked to the sheep because they both communicate - a sheep bleats, a telegraph pole carries telephone calls

LINKS

Connect each object to the next by finding a different common feature or relationship each time e.g.:

_____ and _____ are linked because they both _____

Start anywhere. Link 1 to 2, 2 to 3, 3 to 4, 4 to 5 and 5 back to 1
